

Introducing:

SERVICE ON THE FLY!

SERVICE ON THE FLY! Imagine returning from a long, hard roadtrip & being WELCOMED HOME by a clean, well-serviced vehicle!

Here's the newest reason to be a Bobby Likis Car Clinic / PreRepair® Customer:

- We have **reserved 5 spots** inside Car Clinic / PreRepair® for our Customers who are flying out of the Pensacola airport.
- **Call Brennan or Rusty (477-9480)** and tell either of us your **outbound flight time** (Monday-Friday, 8a-5p) ... and what services (PreRepair® procedures, BoosterShot® or neglected repairs) need to be performed - or ask us & we'll let you know what you need based on past service timeframes.
- Come by Bobby Likis Car Clinic / PreRepair® at the scheduled time, and **we'll take you to the airport while you sip on a cup of Starbucks from our Customer Center.**
- Let us know when your return flight is. If it's Mon-Fri, 8a-5p, **we'll pick you up.** If it's outside those times, we'll leave your locked car in our lighted parking lot.
- **While you're gone, we'll perform your services and wash your vehicle.**

Thanks to **SERVICE ON THE FLY**, servicing your vehicle has never been easier! **The shuttle service to/from the airport (Mon-Fri, 8a-5p) and the car wash are free... and think of the \$\$ you'll save in parking fees!** **SERVICE ON THE FLY** is just one way of thanking you for being a Bobby Likis Car Clinic / PreRepair® Customer!
